## From the Board and Trainers

What an awesome TLNZ National Training! There with so much to take back to Groups and Regions, and so many great connections made.

From the opening Board Presentation, all the interactive and practical sessions, through to the sharing of personal stories, we all learned and felt so much.

From the Trainers a special comment at how fantastic it was to see the personal growth of newer parents and others from Saturday to Sunday. Wow the Sunday sharing and presenting was just a blow away experience A true reflection of ToughLove and who we are.

We are looking forward to the Retreat Weekend. With the proposed advertised date clashing with Auckland Anniversary Weekend we will bring Retreat Weekend forward to 18th / 19th January 2020. TLNZ invites any member or interested persons keen to support the TLNZ Board to attend this event in Christchurch. Free accommodation is available.

Please let Rachel [toughlovenz.info@gmail.com](mailto:toughlovenz.info@gmail.com) know ASAP to secure a bed.

We have received feedback that members are looking forward to receiving the Tattler at the end of each month. Please keep the contributions rolling in to Rachel again by the 20<sup>th</sup> of the month to give Chelsea time to format. Our thanks to Chelsea for the great job she is doing for us, and to Sue ChristchurchRA for the Training Weekend photos.

## News from Christchurch

End of September & beginning of October has seen a relatively quiet time in the Christchurch office and the Parent Support Groups. Christchurch office has provided assistance with getting things ready for the National Training Weekend on 19<sup>th</sup> and 20<sup>th</sup> October.

We have now closed the TUSI bank accounts and just have some tidying up to do with the Charities Services, our funders and the Incorporated Societies, but to all intents and purposes we are now fully operating under the umbrella of TLNZ and its governing body.

## *Our strengths we all bring to the organisation*
